The MAKIRA APP is designed to support scanning of various documents that can be used for automated processing. The MAKIRA APP is only to be used in a professional business context. Any use not defined as intended use is prohibited especially taking pictures of human faces or used by anyone below the age of 13 years old.

User Responsibility

The user is responsible for that all scanned material is obtained legally can be processed legally.

Personal Data

We define personal data in accordance with applicable laws, including the EU General Data Protection Regulation (GDPR).

Purpose of collection of data

By using the MAKIRA APP personal data may be processed, typical collected data are name, addresses and e-mail addresses and other typical information found on standard business documents. These personal data are not used in the further processing. NTT DATA Business Solutions A/S uses other data for technical support and product improvements. No data is used for direct marketing of products to you or anyone. No data is collected through cookie settings. We are using Google Cloud Vision as a data sub-processor for Optical Character Recognition (OCR).

The Legal basis of processing

Our legal basis of processing personal data is based on GDPR Article 6: Legitimate interest and performance of a contract.

The Data Controller

NTT DATA Business Solutions A/S is the Data Controller for all collected and processed data.

Storage of data

Data is stored for as long as it fulfils the purpose of which it is collected. In rare events where technical problems occur or in case of legal disputes, data may be stored extending our defined deletion routines.

Rights as Data Subject

Right of access: You have the right to access the personal data NTT DATA Business Solutions A/S process about you.

Right to rectification: You have the right to obtain rectification of any inaccurate and incomplete personal data about you.

Right to erasure (right to be forgotten): You have the right to obtain erasure of information about you before the time, when we would normally delete your personal data. Unless this right contradicts with our rights under the purpose with processing or legal obligations under law.

Right to restriction of processing: You have the right to restrict the processing of your personal data. Unless this right contradicts with our rights under the purpose with processing or legal obligations under law.

Right to object: You have the right to object to our processing of your personal data.

Right to data portability: You have the right to receive your personal data in a structured, commonly used and machine-readable format and to have such personal data transferred from one Data Controller to another.

To exercise these rights please contact NTT DATA Business Solutions A/S by info-solutions-dk@bs.nttdata.com

Right to lodge a complaint: You can lodge a complaint at any time with the Danish Data Protection Authority about NTT DATA Business Solutions A/S' processing of personal data. See more at datatilsynet.dk where you can also find further information on your rights as a data subject.

Policy Updates

We may update this Privacy Policy from time to time, to stay compliant with changes in laws and applicable industry standards or in case significant changes to the MAKIRA APP.
